	Notes: Upper level text. Key Features: Situates all discussion of writing--grammar, mechanics, style, diction, invention, drafting, writing in the disciplines, and research--around rhetorical concerns. Four-color design makes it easy for students to quickly and accurately access information. Attention to the rhetorical situation has invigorated all of the writing chapters, whether revised or completely new. The following chapters have been revised in light of contemporary composition pedagogy, while maintaining those aspects of traditional rhetorical theory that are still widely respected..
